MEMORANDUM FOR Secretary of the Army, 101 Army Pentagon, Washington DC
20310-0101

SUBJECT: Revalidation of the Headquarters, Department of the Army (HQDA) Army Family Action Plan (AFAP) General Officer Steering Committee (GOSC) Charter

1. Enclosed is the proposed charter to revalidate the HQDA AFAP GOSC as a Joint Department of Defense Committee in accordance with the requirements set forth in Army Regulation 15-1, Committee Management. The AFAP GOSC provides guidance to select Army Commands and to the Army Staff on program priorities throughout the Planning, Programming, Budgeting, and Execution cycles. The HQDA AFAP GOSC meets twice a year in the second and fourth quarter of the fiscal year to:

- a. Discuss the issues brought forward through the AFAP with input and perspective from the Office of the Secretary of Defense, Army Secretariat, Army Staff principals, and select Army Command representatives.
- b. Receive status reports from proponent agencies on the progress of active AFAP issue plans.
- c. Provide approval authority, guidance, and direction through the Vice Chief of Staff of the Army (VCSA) to the Army Staff and proponent agencies on resolving AFAP issues.
- d. Establish priorities for resourcing issues and pursuing congressional action.
- e. Review action plans for relevancy and viability.
- f. Create new issues, reopen old issues, and/or refocus active issues, as appropriate.
- g. Determine, through the VCSA, if an active issue recommended by the proponent agency as unattainable is, in fact, unattainable.
- h. Determine, through the VCSA, if the solution to an active issue recommended by the proponent agency as completed meets the intent of the issue recommendation.
