- **Objective**

The intent is to honor and recognize the sacrifice of Family members who have lost a loved one in military service by providing designated parking for Families of the Fallen. The approved parking sign will serve as a method to promote awareness and educate the military community on Families of the Fallen.

Parking sign design:
12" x 18"

- **Place Survivor parking sign @ one of these locations:**

Survivor Outreach Service Offices or Casualty Assistance Centers

- **Advertising of Survivor Parking Signs**

- Maximize publicity of the new SOS parking sign for Families of the Fallen through Public Service Announcements (PSA) and internal communication channels. Include thumbnail of parking sign design when possible to increase awareness of the sign.

- Army Reserve Survivor Outreach Services Staff should maximize their efforts to inform all Families of the Fallen in their AOR on the implementation and locations of designated parking space.
