Easter Seals

Military and Veterans Services

Easter Seals has been providing services to help children and adults with disabilities and/or special needs, as well as support to their families for nearly 100 years. They assist more than one million individuals and their families annually at more than 550 Easter Seals service sites across the

MILITARY & VETERANS SERVICES

country, providing innovative, top-quality services. In addition to offering services specifically related to Autism Spectrum Disorder, children, adults, seniors, employment and training, medical rehabilitation, camping and recreation, and brain health, Easter Seals also offers resources and services tailored to meet the needs of veterans and military Families. Through the Easter Seals Dixon Center for Military and Veterans Services, the organization seeks to break down barriers, drive a new conversation about the potential of veterans, engage organizations and communities, and connect veterans and military Families with what they need for meaningful employment, education and overall wellness. Easter Seals Dixon Center offers Camp Yellow Ribbon for Military Kids, which offers military Families a break by providing a week of summer fun for 50 military kids, ages 7-14, whose parents have been, are currently, or will be deployed. Camp Yellow Ribbon is offered to military Families of any service branch and provides children with emotional support through traditional summer fun camp activities, while connecting and sharing with other children who understand their military experience.

Easter Seals also offers Community OneSource to veterans and their Families. It can become very challenging for veterans to locate services and benefits, and Easter Seals wants to be able to assist those with challenges to learn, work, play and live within their communities. Community OneSource is available at no charge to all veterans, mobilized reservists and their Families and emphasis is placed on identifying local resources whenever they are available. Contact them at (866) 423-4981 or veterans@easterseals.com.

YMCA - DOD Military Outreach Initiative

The YMCA understands that military Families are under enormous strain, and that military life comes with unique challenges. Deployments can be a stressful and uncertain time for Soldiers and their Families. In partnership with the Armed Services YMCA (ASYMCA), the YMCA offers memberships and respite child care services to eligible military Families and personnel through the Department of Defense's (DoD) Military Outreach Initiative. The ASYMCA has partnered with YMCAs, as well as national and independent fitness centers nationwide, to offer Soldiers and their Families free access to fitness centers and respite child care services. The Military Outreach Initiative gives Soldiers and Families extra support and access to vital resources that promote youth development, healthy living and social responsibility. It's another way of giving back to those who dedicate themselves to serving our country. More than 1,500 Community YMCAs, and more than 1,400 national and independent fitness centers nationwide participate in the Military Outreach Initiative, and since 2008, more than 125,000 military children have been impacted by this program.

Memberships will be funded at participating YMCA's throughout the United States and Puerto Rico for individuals in the following groups and their Families:

1. Families of Guard/Reserve personnel who are deployed for a minimum of six months under Title 10 orders are eligible for YMCA membership not to exceed 18 months (which includes Service member three months pre and post deployment). <http://www.asymca.org/programs/ymca-dod-military-outreach-initiative/families-of-guardreserve-personnel/>
2. Respite childcare is available for military children up to age 12 at participating locations for up to 16 hours of respite child care per month, per child, based on the requirements by the Department of Defense. For additional information, go to: <http://www.asymca.org/programs/ymca-dod-military-outreach-initiative/7371-2/>

Approved personnel may join any **participating** YMCA branch.

The initial membership is six months. In order to extend, the Soldier or a Family member must use the YMCA at least eight days each month. Soldiers who are TDY may make arrangements to log "away" visits while they are gone.

Typically, YMCA locations have a pool and most offer free child care while parents exercise. Some also offer a military discount on fee-based services like swim lessons and youth sports. The YMCA can be a great place to meet new friends, relieve stress, enjoy swimming and other activities with the family, and improve health and fitness.

National Military Family Association

The National Military Family Association (NMFA) was founded in 1969 by a small group of military wives to ensure widows were properly taken care of. The Survivor Benefit Plan became law 2 years later, and the Association has been hard at work ever since. Today, the NMFA is comprised mainly of military spouses and former military members. They are advocates and subject matter experts in the area of military family needs, issues, and benefits.

**NATIONAL
MILITARY FAMILY
ASSOCIATION**

Together we're stronger

NMFA has worked hard advocating for the Families of the men and women who serve. They offer a wide variety of information and resources through their website that includes helpful topics such as health care, deployment, special needs, survivors, and more. NMFA also offers many programs and camps for Army Reserve youth and their Families.

Operation Purple Camps are unique and memorable summer camps for military kids age 7 to 17 with the goal of helping kids deal with the stresses that result from their parent(s) being deployed. Youth Leadership, Education and Development (YLEAD): Summer 2015 Dates & Cities

Youth Leadership, Education and Development (YLEAD) trainings support CYSS' mission, and provides an opportunity for Army Reserve teens to come together, learn new skills and build new connections.

At YLEAD, Army Reserve youth:

- ◆ Connect with one another
- ◆ Participate in activities that promote success at home, in school, and within the community
- ◆ Learn more about the Army Reserve
- ◆ Find out how to make a difference in the lives of Army Reserve Families
- ◆ Discover ways to become involved through partnerships with teens, adults, and community-based programs.

YLEAD participants engage in several sessions that promote resilience and leadership skills such as communication, decision making, exploring interests, and youth-adult partnerships. Team building activities help youth make connections and learn to work together. A service learning project is also conducted, and past YLEAD participants have done beach clean-ups, sorted and packed food at a food bank, and helped paint The Fisher House. Youth have the opportunity to visit the city where YLEAD is held through educational and fun outings.

YLEAD is open to Army Reserve teens ages 14*-17, who are entered in DEERS, and who reside in the states indicated for each region.

*must be 14 **and** entering the 9th grade

YLEAD is offered at no cost, as youth are placed on travel orders which cover transportation, lodging and meals. The youth then becomes a volunteer for the Command, and is able to apply lessons learned at the next Family Day, FRG meeting, Yellow Ribbon event or other Family Programs-approved event.

Command/Unit Updates

Teen Council

Have your voice heard and represent the 311th ESC children and youth! Why read about history when you can make it? Be a part of our Teen Council and take your place! The 311th ESC Teen Council is looking for youth between the ages of 13-17, that are willing to take the challenge and become youth leaders within the command and their community!

Through this opportunity, youth will gain public speaking and leadership skills, work on professional and personal development skills, experience workshops on communication, develop effective strategies and implement solutions for issues they face as Army Reserve youth. Build your portfolio for life after school. You can make a difference!

The Teen Council's goal is to empower youth with the core values of leadership, service and resiliency. They aim to promote high standards of learning through curricula, resources and activities. Each well-qualified candidate is chosen based on a thorough selection process revealing their experience, dedication and willingness to speak on behalf of AR children and youth.

BASIC QUALIFICATIONS

- 311th ESC connected youth
- A member in good standing in the military or local community
- Enrolled in the 8th - 11th grade for the 2015-2016 school term
- Maintain a grade point average of 2.5 or better

If you are interested in joining the Teen Council please contact the CYSS staff listed on the contact page of this newsletter.

BASIC RESPONSIBILITIES

- Serve a two-year term
- Attend up to four meetings annually/travel paid for face-to-face meetings
- Provide at least 4 hours/month with military and/or community activities
- Work with fellow teens to develop innovative opportunities
- Attend local/regional command youth events as assigned
- Inform Army Reserve leadership about the needs of youth
